hello
SUMMER

A message from the Activity Convener...

Summer is here! It is wonderful to have some beautiful weather! Our summers are short, so make the most of it and spend some time outside!

Our Tomato Plant and Hotdog Sale at the end of May was a huge success! Thank you to all the volunteers and staff that made this fundraiser possible!

We will be celebrating Seniors Week June 5- June 9. The week will be Hawaiian themed. All of the fun activities are on your calendar. Don't miss out on our Luau on June 9th!

- Karin

June Health Awareness - Hearing Aids

A hearing aid makes sounds louder. It can help some people with hearing problems to hear better. Hearing aids do not restore normal hearing. But they can make it easier to communicate. There are different types and sizes to hearing aids.

If your doctor thinks that you have hearing loss, you will be referred to an audiologist to do hearing tests. He or she can help you decide what type and style of hearing aid may be best for you.
