

Our Goals

The strategic plan envisions a future that positions St. Michael's as follows:

1. A leading provider of best practices in continuing care (including long term care, supportive housing and day support programs).
2. A not-for-profit society able to expand its services and programs to other regions of Alberta as resources are made available.
3. An operator of successful and sustainable business enterprises to support and expand our core programs and services.
4. An employee-focused organization, recognizing our employees as our most valuable resource and dedicated to building a positive and accountable workplace environment.
5. An organization that promotes the development and recognition of volunteer effort in all aspects of services.

St. Michael's Health Group is governed by a 13-member volunteer Board of Directors.

Our Strategic Plan

A Not-For-Profit Voluntary Organization

Revised October 2014

Our Mission

Care with Love and Dignity

Our Vision

St. Michael's Health Group, incorporated through the St. Michael's Extended Care Centre Society, is a Christian voluntary organization with an entrepreneurial spirit, dedicated to the provision of wellness focused holistic care and community services to all with love and dignity.

Our Culture

A Caring and Supportive Environment.

St. Michael's Health Group is a voluntary not for profit organization, incorporated in 1976 under the Societies Act of Alberta.

In the 35+ years of our existence we have expanded from the original Long Term Care Centre in Edmonton, to include Supportive Living Communities in Edmonton, Spruce Grove and Vegreville, and a variety of programs and services.

Core Values

Excellence

Set high goals for programs and services that can be measured. Express pride in SMHG's accomplishments and contributions to care. Challenge SMHG leadership to move beyond the status quo.

Integrity

Act consistently according to these stated values. Ensure open and honest communication. Consider diverse views while firmly supporting Board decisions. Take personal responsibility for full participation in work activities and preparation for same. Ensure transparency in our decision-making process.

Community

Consider the community impact of our decisions. Collaborate with others and foster partnerships with business, government and community groups. Be respectful of other work units in our community of care at St. Michael's. Volunteer development and services shall be an integral element of St. Michael's culture and vision.

Accountability

Regularly evaluate our goals/progress and report these results honestly. Ensure systems and procedures are in place for financial accountability.

Engagement

Ensure residents have a forum and voice in planned care. Regularly communicate with families and caregivers of SMHG residents and services.

Signals Of Success

1. St. Michael's works with residents, families, caregivers, volunteers, and the community, enhancing quality of life, self esteem, and self reliance and ensures their satisfaction and involvement.
2. Our programs and services fill needs identified by provincial, federal and municipal governments and community.
3. St. Michael's Health Group is highly regarded by a broad spectrum of citizens. Employees and volunteers at all levels are highly qualified, experienced and satisfied in their work.

St. Michael's is an inclusive community where residents' contributions and needs are respected, honoured and recognized as important elements of a caring society.

4. We are clearly and openly accountable to funders, donors, residents, their families/caregivers, corporate partners, allied community agencies and citizens in the communities we serve.
5. Well developed and maintained facilities and programs are operating in a wider serving area where St. Michael's Health Group can make a difference in the quality of life of the population we serve.
6. Our active membership is valued by organizations and bodies aligned with our vision.
7. St. Michael's is the place of choice for staff and volunteers, internally and externally.
