

VOLUNTEER AT ST.MICHAEL'S

We have many volunteer opportunities available and a complete list can be found online. At this time we also have an immediate need for volunteers in the 2 areas of feeding and pastoral care.

We are looking for caring and responsible people willing to help feed our residents. A background in healthcare would be an asset but individuals who are open to learn (through feeding courses that we offer) are also most welcome to apply.

We also require independent and enthusiastic people who would like to assist us with portering wheelchair-bound residents to the weekly church services and provide companionship to the residents. We have church services every Sunday between 1:30pm to 3:30pm. Weekend opportunities are available. No experience necessary!
