

## November 2024

November 11th is Remembrance Day – Lest we forget “Many people wear artificial poppies on their clothes in the weeks before Remembrance Day. Red poppies symbolize the memory of those who died and white poppies campaigns for non-military interventions in conflict situations. On November 11, special church services are organized. These often include the playing of "The Last Post", a reading of the fourth verse of the 'Ode of Remembrance' and two minutes silence at 11:00 (or 11am). After the service, wreaths are laid at local war memorials.”

### *In Flanders' Fields*

*In Flanders' fields the poppies blow  
Between the crosses, row on row,  
That mark our place; and in the sky  
The larks, still bravely singing, fly  
Scarce heard amid the guns below.*

*We are the dead. Short days ago  
We lived, felt dawn, saw sunset glow,  
Loved, and were loved, and now we lie  
In Flanders' fields.*

*Take up our quarrel with the foe:  
To you from failing hands we throw  
The torch, be yours to hold it high.  
If ye break faith with us who die  
We shall not sleep, though poppies grow  
In Flanders' fields.*

*Major John McCrae, 1915*
