It may be winter, but our residents are thinking about sunshine!

St. Michael's Long Term Care Centre, located in a mature treed neighbourhood, provides an idyllic setting for residents to receive the personalized care they need. With a focus on innovative, quality, resident centred care, the goal of everyone at St. Michael's is to continually adapt to ensure we provide the loving care seniors deserve.

This includes providing a warm, friendly setting to meet the needs of those who call St. Michael's home.

To help enrich their home-like setting, we have set a goal this Christmas to raise **\$20,000** towards building an accessible outdoor patio adjacent to the cafeteria. With this addition, residents can be outside enjoying a meal with family and friends, playing cards or simply getting some fresh air.

Providing compassionate care and safe accommodation for one of the most vulnerable sectors of our society for almost 40 years, we have seen how much residents enjoy going on excursions, for rides on the duet bike, or just sitting outdoors and taking in their surroundings.

We believe that by building an outdoor patio for our residents and their families, we are creating an inviting space for social interaction. Plus we will be providing a new area for recreational activities and programs . all of which contributes to residents' health and overall quality of life.

But we cannot do this without your continued support. Your help is needed to raise the funds necessary to provide the comfort and quality of life our seniors deserve. All gifts, no matter the size, have a huge impact on the lives of our residents for which they are very grateful.

Should you choose, you can also note on the donation card to direct your contribution to one of our other sites or other care needs at St. Michael's. All gifts are very much valued and help us do our important work.

At this time we would also like to extend to you and your family our very warmest wishes for a very Merry Christmas, Happy Holiday and bright New Year! Thank you for your support!

Sincerely,

John Kopeck
President & CEO

Care with Love and Dignity
