This is Home

Fundraising Breakfast is an annual fundraising event held in support of those who call St. Michael's Home.

St. Michael's Health Group provides long term care, supportive living, specialized services and programming for seniors in our community. We work hard to ensure our residents experience aging in a positive and meaningful way.

Join us on May 10, 2019 for our 7th Annual fundraising event with special guest Ryan King of the Edmonton Eskimos. Ryan will be speaking about the importance of being involved in the community, volunteering, and the difference it can make.

Funds raised at this event will be designated towards the purchase of patio furniture for the new outdoor patio. Our residents will be able to enjoy this newly developed space in comfort and style!

St. Michael's is home to many seniors - we can only make it so because of donors like you!

As we completed our recent kitchen and cafeteria renovations, we also determined the need to build an accessible deck and ramp adjacent to our kitchen and food service area to meet the needs of our residents and surrounding community.

This new deck will allow us to offer seniors a safe and accessible way to participate in more socialization opportunities at St. Michael's. The deck will be accessible from the interior sitting area with new doors to be installed to accommodate wheelchairs, and it will also be accessible from the outside with an appropriate ramp for wheelchairs, walkers, and other mobility devices.

Event proceeds will be designated towards the purchase of new patio furniture. Being able to provide a positive meal time experience for seniors in a warm, home-like setting results in healthier food intake, and healthier seniors.

Thank you for your support and making our 'site' a 'home' - we cannot do this without you!
