Congratulations to both women for all the years they have served with the Royal Purple.

Joyce has served for 65 years and has held all the positions that one could. For two years she served as the district deputy and was an honored Royal Lady. Elizabeth served for 60 years and has held some of the minor positions. An example of this is the inner guard. When asked why they joined the Royal Purple they both said, to get out and be around other people. Also being able to travel to different areas was a way to see new places and meet new people.

Father's Day is celebrated worldwide to recognize the contribution that **fathers** and **father** figures make to the lives of their children. This **day celebrates fatherhood** and male parenting. Although it is **celebrated** on a variety of dates worldwide, many countries observe this **day** on the third Sunday in June.

Father's Day is celebrating its 100th anniversary this year on June 19, and it all began when a young woman wanted to honor her dad. In May of 1909, Sonora Smart Dodd of Spokane, Wash., sat in church listening to a Mother's Day sermon. She decided she wanted to designate a day for her dad, **William Jackson Smart**.
